

Perennial Plant in the Picture !

Echinacea purpurea 'Pink Saturn' ® = ™

A new Echinacea selected by Jan Spruyt. He is very special because of his dark pink halo that shows in the middle of the flower. Never seen any like this ! Good for the garden and prairiegarden !

Height : 50cm (leaf 30cm) Flowertime : 7-9(10) Colour : light pink with dark pink "Halo"

Aster ageratoides 'Eleven Purple' PBR

A new Aster selected by Jan Spruyt.

He is strong like a bear and flowers till the end of December in good times. The flowers are almost uncountable ! Butterflies find it a feast to be in his neighbourhood.

Height : 50cm (leaf 30cm) Flowertime : 9-12 Colour : lilac
