

Perennial Plant in the Picture !

Pennisetum alopecuroides 'Reborn'

This selection was chosen as the best from a group of different alopecuroides-types, cultivated as alopecuroides in our different Belgian nurseries.

'Reborn' is busy to be the new standard in short time !

Landscapers and gardenarchitects like to count on equal top quality !

Height : 70cm (leaf 50cm)

Flowertime : 9-11

Colour : brown
